## Section 1: Vision, Mission, Objectives and Functions

### Vision

To make India, a global leader in Food Processing and export of safe, hygienic, nutritious and quality processed food items.

### Mission

To achieve higher level of processing, value addition and increasing India's share in global trade through decentralization and greater involvement of the state governments promotional policy support, financial assistance, fiscal incentives and creation of state-of-the-art infrastructure.

### Objectives

- 1 Enhancing Processing level and reduction in wastages.
- 2 Institutional Strengthening
- 3 Food Safety & Quality assurance
- 4 Launching of NMFP
- 5 R&D in food processing
- 6 Value Addition

### Functions

- 1 Developmental initiatives through creation of a conducive environment for healthy growth of the sector.
- 2 Policy support through formulation and implementation of policies for the sector within the overall national priorities and objectives.
- 3 Promotional support by promoting rationalization of tariffs and duties relating to the sector.
- 4 To conduct assessment surveys/studies regarding the extent of processing of food products being done in country.

## Section 4: Description and Definition of Success Indicators and Proposed Measurement Methodology

The success indicators and the proposed methodology have been indicated in Table 1 in term of the timeliness, the percentage of target to be met and physical achievement /numbers. These success indicators have been devised after taking into account the nature of the objectives of the schemes. The schemes of the Ministry are basically disbursement oriented and the success criteria given broadly reflect this.

In case of Mega Food Parks, the release of grant -in-aid is linked with the achievement of certain milestones of physical progress. Accordingly the % age of physical progress will be commensurate to the % age of grant in aid released in respective number of MFP's.

## Section 5: Specific Performance Requirements from other Departments

Prompt responses from Planning Commission Ministry of Finance are critical for success of programmes of this Ministry. In view of the 12th plan proposals, some of the central sector schemes like Cold Chain for horticultural produce, Labs and R&D will be implemented through NHB (MOA) DST (SERB) and ICAR. As such the performance of these departments and other related departments like DARE, DAC and Ministry of MSME will also contribute in yielding desired performance.

## Section 6: Outcome/Impact of Department/Ministry
