

**Minutes of the Inter-Ministerial Approval Committee (IMAC) meeting held on 17<sup>th</sup> & 18<sup>th</sup> January, 2018 to consider the proposals received under Creation/ Expansion of Food Processing & Preservation Capacities (CEFPPC).**

A meeting of the Inter-Ministerial Approval Committee (IMAC) was held under the Chairpersonship of Hon'ble Minister, Food Processing Industries on 17<sup>th</sup> & 18<sup>th</sup> January, 2018 at 2:00 PM in Panchsheel Bhawan, August Kranti Marg, New Delhi. The agenda notes for the meeting were circulated among all the members on 14.01.2018 and 15.01.2018 respectively. The list of participants is at **Annexure-II**.

2. At the outset, the Hon'ble Minister, FPI welcomed all the members of IMAC to the 1<sup>st</sup> IMAC meeting held for consideration and approval of proposals as recommended by Technical Committee (TC) which considered the proposals (Total no. 141) under the Scheme of Creation/ Expansion of Food Processing & Preservation Capacities in its meetings held on 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> January, 2018.
3. Initiating the agenda of the meeting, Shri Ashok Kumar, Joint Secretary informed to the members that Ministry had invited Expression of Interest (EoI) which was uploaded on website on 31.07.2017 and published in Newspapers on 02.08.2017 for creation/ expansion of the food processing units with last date as 15.09.2017 which was further extended till 15.10.2017. In response to the above EoI, the Ministry had received a total of 454 proposals through online application portal of the Ministry.
4. As per the modification of guidelines dated 22.09.2017, the proposals submitted in response to the EoI have been evaluated by the Programme Management Agency (PMA). Only those proposals received from Mega Food Parks assisted by the Ministry and also the proposals from those States where there is no Mega Food Parks assisted by the Ministry have been evaluated by the PMAs. The PMAs have evaluated the proposals as per the basic eligibility criteria indicated in the guidelines. The eligible proposals then further evaluated on a scale of 100 points marking criteria indicated at Appendix-J of the guidelines. Technical Committee (TC) in its meetings held on 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> January, 2018 had undertaken evaluation of the proposals on the basis of presentation made before TC by the PMA.
5. It was brought to the notice of the Committee that out of total 454 proposals received against the EoI, only 141 proposals identified from the online application portal which are either located in the Mega Food Parks or located in those States where there is no Mega Food Park assisted by the Ministry. Remaining proposals are ineligible as per the modification of guidelines

Ministry of Food Processing Industries  
CEFPPC Division

dated 22.09.2017. The IMAC Committee suggested that all the ineligible proposals may re-apply as per the revised guidelines uploaded on the website dated 13.12.2018 and EoI dated 29.12.2017 on website and published in newspapers on 14.01.2018.

6. Further, Committee suggested that out of 141 proposals, the proposals examined by the TC as ineligible proposals may be brought to the notice of the applicants regarding the reasons of ineligibility of the proposals so that these applicants may also re-apply as per revised guidelines dated 13.12.2018, while rectifying the reasons of ineligibility. The Committee has suggested that respective PMAs should inform the same to the ineligible applicants. A TC meeting may be convened for those applicants, whose applications considered eligible subject to conditions, seeking required clarifications etc.

7. Chairperson pointed out that 49 proposals from Uttar Pradesh (UP), evaluated by the PMA, are located in non-Mega Food Park locations. It was brought to the notice of the members that "In-Principle" approval for setting up of three New Mega Food Parks at Mathura, Mirzapur in Uttar Pradesh was accorded on 21.12.2017 and at Gautam Budh Nagar on 15.01.2018. Therefore, considering of the proposals from non-MFP locations of UP may not be apt since Ministry has approved three Mega Food Parks (MFP) in UP. There were differences of opinions with regard to consideration of proposals from UP. Hon'ble Minister & Chairperson of the IMAC was of the opinion that the proposals from UP may not be considered as they are not in MFPs, and at present three MFPs have been accorded "In-Principle" approval in UP State. Though "In-Principle" approval has been accorded after the closing date of the EOI, but fact remains that as on date three MFPs are under implementation. However, Hon'ble MoS, FPI and Secretary, FPI were of the view that since there was no MFP in UP by the closing date of EOI and even today final approval has not been accorded to any MFP, these proposals in UP outside the MFPs may be considered. JS&FA and other members of IMAC opined that consideration of these cases in UP may be deferred and legal opinion may be taken from Ministry of Law & Justice as future course of action on these proposals. After the detailed deliberation on the matter, it was decided to take up the matter with Ministry of law & Justice for legal advice and decision on these cases was deferred till the receipt of legal advice of Ministry of Law & Justice on this matter.

3. Thereafter, following 92 proposals from South, East, North-East, West and North zone as provided on **Annexure -I** were taken up one by one for consideration and approval by the IMAC.

Meeting ended with vote of thanks to the Chair.

Summary of proposals approved by IMAC as Eligible/ Eligible with conditions/ Ineligible in its meeting held on 17<sup>th</sup> & 18<sup>th</sup> January, 2018

Sr. No	Name of the Applicant	Proposed Location (District)	Sector	Eligibility	Score	Project Cost (Rs in Crs)	Eligible Grant (Rs in Crs)
