Bidders are requested to submit all requisite documents as per the uploaded tender along with their bids; failing which the bids are liable for rejection.

Evaluation of bids

From the time the bids are opened to the time the contract is awarded, the agencies should not contact the MOFPI on any matter related to its Technical and/ or Financial bid.

Any effort by the agencies to influence the MOFPI in the examination, evaluation, ranking of bids and recommendation for award of contract may result in the rejection of the agency's bid.

A duly constituted Evaluation Committee will scrutinize and evaluate the bids for selection of an agency.

Criteria for Evaluation of Technical bid:

The Evaluation Committee shall evaluate the Technical bids on the basis of their responsiveness to the qualification criteria. The qualification of the agency and the evaluation criteria for the technical bid shall be as defined below.

The criteria defined in **Annexure 3** would be followed for evaluation of technical bids.

Only Agencies obtaining a total score of 60 (on a maximum of 100) or more on the basis of criteria for evaluation given below would be declared technically qualified. Every technical bid shall be awarded an absolute technical score of 'T' marks out of a total of 100 marks.

Criteria for Evaluation of Financial bid: The Financial Bids of the technically qualified bidders will be evaluated as per the evaluation criteria explained below.

- The lowest evaluated Financial bid (**Fm**) will be given the maximum financial score of 100 points. The financial scores(**F**) of the other Financial bids will be computed as per the formula for determining the financial scores given below:

$$F = 100 \times (Fm / Fb)$$

Where,

Fb =Evaluated amount of financial quote by the particular bidder.

Fm = Lowest evaluated amount of financial quote by the bidder.

Financial bids of only those Agencies which are declared technically qualified shall be opened on the specified date and time, in the presence of representatives of bidders who choose to attend. The name of the Agencies, their technical score (if required), and their Financial bid shall be read aloud.

Method of Selection:

In deciding the final selection of the Agency, the technically qualified bid will be given a weightage of 70% on the basis of criteria for evaluation. The price bids of only those Agencies which qualify technically will be opened. The bid with the lowest cost will be given a financial score of 100 and the other bid given financial scores that are inversely proportional to their prices. The financial bid shall be allocated a weightage of 30%. For working out the combined score, the MOFPI will use the following formula:

Total points: $(0.7 \times T(s)) + (0.3 \times 100 \times Fm/Fb)$

The bids will be ranked in terms of total points scored. The bid with the highest total points (H-1) will be considered for award of contract.

Example: If in response to this tender, three bids, A, B & C were received and the Evaluation Committee awarded them 75, 80 and 90 marks on technical bid respectively, all the three bids would be technically suitable. Further, if the quoted price of bids A, B & C were Rs. 120, 100 & 110 respectively, then the following points for financial bids may be given:

A: $100/120 \times 100 = 83$ points

B: $100/100 \times 100 = 100$ points

C: $100/110 \times 100 = 91$ points

For combined evaluated points, the process would be as follows:

Bid A: $75 \times 0.7 + 83 \times 0.3 = 77.4$

Bid B: $80 \times 0.7 + 100 \times 0.3 = 86$

Bid C: $90 \times 0.7 + 91 \times 0.3 = 90.3$

Bid C, in this case would be considered as H1 (Highest total points).

The Evaluation Committee will correct any computation errors, in case of discrepancy.

Negotiations:

Normally there will be no post tender negotiations, it would be only on exceptional circumstances, if considered necessary, shall be held only with the Agency which shall be placed as H-1 bidder after combined evaluation of the Technical and Financial bids, as indicated above. Under no circumstance, the financial negotiation shall result into an increase in the price originally quoted by the Agency.

GENERAL:

- a) Bids once submitted cannot be amended.
- b) Any Bid which does not quote for all items will be determined to be non-responsive and may be rejected.
- c) The Agency shall not assign or sublet the contract or any substantial part thereof to any other agency, without written consent of the MOFPI.
