Although the Ministry has not commissioned any similar study, however, it was brought to the notice of the Evaluation Cum Selection Committee that Economic Division of Ministry of Food Processing Industries had earlier called for this study from IIFT, Kolkata on nomination basis. The price quoted by IIFT was Rs. 12 lakhs only. The Committee noted that the instant study involves analysis of secondary data as well as primary survey through focussed group discussion/interview/ interaction with industry bodies, food companies and exporters.

4. According, Evaluation Cum Selection Committee found the price quoted by the single successful bidder as reasonable & recommended award of the study to CUTS International to the Competent Authority.
