Subject: Indicative list of identified agri-horti production clusters (fruits & vegetables) for the Scheme for Creation of Infrastructure for Agro-processing Clusters under KISAN SAMPADA YOJANA.

Government of India (GOI) has approved a new Central Sector Scheme – KISAN SAMPADA YOJANA (KSY) for the period upto 2019-20 to be implemented by Ministry of Food Processing Industries (MoFPI). Under KISAN SAMPADA YOJANA, a new Scheme for Creation of Infrastructure for Agro Processing Clusters has been approved. Ministry is likely to invite proposals shortly for setting up of agro processing clusters near the identified agri-horti production clusters in the country.

2. Ministry is in the process of GIS mapping of agri-horti production clusters in the country, which will be made available shortly at <http://geo-sampada.nic.in>. The promoters / investors interested in setting up of agro processing clusters may visit this website for identifying agri-horti clusters in the country. The indicative list of identified agri-horti production clusters (fruits & vegetables) is attached for guidance of the promoters / investors interested in setting up of agro processing clusters as per the guidelines of the scheme.

3. Preference will be given to setting up of agro processing clusters near these identified agri-horti clusters.
